CASES21 Enrolment Form
Department of Education and Training

Student Name
This confidential enrolment form asks for personal information about your child as well as family members and others that provide care for your child. The main purpose for collecting this information is so that we can register your child and allocate staff and resources to provide for their educational and support needs. All staff at Weeden Heights Primary School and the Department of Education & Training are required by law to protect the information provided by this enrolment form.

Health information is asked for so that staff can properly care for your child. This includes information about any medical condition or disability your child may have, medication your child may rely on while at school, any known allergies and contact details of your child’s doctor. Weeden Heights Primary School depends on you to provide all relevant health information because withholding some health information may put your child’s health at risk.

Weeden Heights requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, Susan Campbell, if you would like to discuss, in strict confidence, any matters relating to family arrangements.

**Emergency Contacts**
These are people that Weeden Heights may need to contact in an emergency. Please ensure that the people named are aware that they have been nominated as emergency contacts and agree to their details being provided to us.

**Student Background Information**
This includes information about a person’s country of birth, aboriginality, language spoken at home and parent occupation. This information is collected so that Weeden Heights receives appropriate resource allocations for their students. It is also used by the Department to plan for future educational needs in Victoria. Some information is sent to Commonwealth government agencies for monitoring, planning and resource allocation. All of this information is kept strictly confidential and the Department will not otherwise disclose the information to others without your consent or as required by law.

**Religious Affiliation**
If you want your child to receive religious instruction while at school please complete this section. The Department of Education & Training needs to know what type of religious instruction is sought so the Department can, where possible, provide appropriate religious instruction.

**Immunisation Status**
This assists Weeden Heights in managing health risks for children. This information may also be passed to the Department of Human Services to assess immunisation rates in Victoria. Information sent to the Department of Human Services is aggregate data so no individual is identified.

**Visa Status**
This information is required to enable Weeden Heights to process your child’s enrolment.

**Updating Your Child’s Information**
Please let us know if any information needs to be changed by sending updated information to the school office. During your child’s time with Weeden Heights we will also send you copies of enrolment information held by us. Please use this opportunity to let us know of any changes.

**Access to Your Child’s Record Held by the School**
In most circumstances you can access your child’s records. Please contact the Principal to arrange this. Sometimes access to certain information, such as information provided by someone else, may require a Freedom of Information request. We will advise you if this is required and tell you how you can do this.

If you have any concerns about the confidentiality of this information please contact the Principal. Weeden Heights Primary School can also provide you with more detailed information about privacy policies that govern the collection and use of information requested on this form. This form is available on request.

MEDIA APPEARANCES
Many times throughout the year, we have local or city newspapers at the school to photograph our children doing something special, or we video the children, for our own archives, taking part in special activities. We have also set up a school ‘web page’ featuring the school, staff and students. We need to obtain your permission for your children to be included in any of these publications.

The photographers usually like to use the FIRST names of the children at the time of taking the photographs.

All students will automatically have their names and photographs included on the site, however parents do have the option to withdraw permission for inclusion of their child’s photo.

I DO NOT give permission for a photo of my child to be displayed on the Weeden Heights Ultranet site. This permission will be valid for the length of my child/children’s enrolment at Weeden Heights Primary School

**SPECIAL RELIGIOUS INSTRUCTION**

Special religious instruction in Government schools is authorised under section 2.2.11 of the Education and Training Reform Act 2006 and can be given only where accredited and approved religious instructors are available.

In general, special religious instruction in schools is provided through the non-denominational agreed Christian syllabus *Religion in Life®* which was developed and is regularly reviewed by ACCESS Ministries (formerly known as the Council for Christian Education in Schools). The agreed Christian syllabus is delivered by instructors drawn from the major churches including Anglican, Catholic, Protestant and Pentecostal who are trained and accredited by ACCESS Ministries and approved by the Minister for Education.

The agreed Christian syllabus *Religion in Life®*

- complements lesson themes and current Departmental policy
- builds on the Victorian Essential Learning Standards as they relate to the physical, personal and social learning strand
- helps children explore their own lives for meaning and purpose
- introduces children to the religious life and ideas of their community
- provides some understanding of stories, festivals, worship and symbols of the Christian faith in the community
- respects children’s rights to uphold their own opinions while providing a broader understanding of this major influence on contemporary Australian culture.

At Weeden Heights Primary School special religious instruction may also be provided separately for students in the Bahá’í faith where accredited religious instructors can be provided by the relevant faith community and are approved by the Minister for Education.

Attendance at special religious instruction classes is not compulsory for students whose parents request that they do not attend.

**PARENTAL ADVICE/RESPONSE**

Where accredited and approved religious instructors are available, do you wish your child to receive special religious instruction in one (1) of the following faiths:

- ACCESS Ministries’ agreed Christian syllabus *Religion in Life®* ☐YES ☐NO
- Bahá’ism ☐YES ☐NO

NOTE: You may withdraw your child from classes at any time by notifying the school principal in writing.

ATTENTION PARENTS

Parental Occupation Group

Dear Parents,

Each school budget is calculated by a range of formulas. One formula is based on Parent Occupation. We need to update our Parent Occupation Groups to ensure your children’s school receives the budget it is entitled to. **One school recently went through this process and as a result received an extra $34,000 in funding!** Therefore, it is imperative that we have accurate Parent Occupation information; it may result in your school and therefore your child having access to greater resources for their education. If we have a substantial number of parents in the ‘A’ category for example, this reduces our funding dramatically. So we want to ensure our records are true and that they reflect the correct occupations of our school’s families.

Please read carefully the information below and place your occupational code and occupation next to your name. If you require clarification, please contact the office on 9802 0663.

This information is **strictly confidential** and is only used to collect aggregate data. Your information is protected by the Privacy Laws.
